

Sample Gatherings for the Maskenball Silent Auction

Learn to Knit Socks

Spend an afternoon learning how to knit socks. We will make a child's sized sock in a worsted weight yarn with the goal of getting through all parts of the sock (cuff, heel, gusset and toe). If you know how to knit and purl, you are ready for socks. Supplies and snacks will be provided.

~\$45 per person- limit of 6 people
probably held in March or April
about 3-4 hours on a weekend

Learn about Spinning Yarn

Ever wonder how thread is made? We will use basic spindles and wool to see how fiber is spun, learn some history of spinning and take a look at different kinds of plant and animal fibers. Spinning used to be something almost everyone knew how to do. Reconnect with the past and learn about a very ancient craft.

~\$25 per person - limit of 10-12 people
probably held after school is out
could be adults or kids
about 2 hours

Dinner with Annika Fjelstad

Join our new director in an intimate dinner for 4-6 people and enjoy good food and even better conversation. Date & pricing tbd.

Camping Weekend in a Minnesota State Park

Join other TCGIS camping aficionados for a weekend of fun (either at Frontenac State Park on Lake Pepin or at Mille Lacs Kathio on Lake Mille Lacs). Stay two nights in the park's group campground. Smore's, breakfasts & dinners included. Campers must bring their own tents, bedding, swimming gear, lunches & snacks.

~\$100 per family - limit of 35-45 people
Dates most likely in late May or early June

Summer Barbeque at a TCGIS family's house

All food & drinks provided, just show up and enjoy a warm summer evening full of good TCGIS family fun.

~\$40 per family - limit of 50 people
Dates most likely in late July
